

February 17, 2005
 Title III/Activity 4

Major Activities/Accomplishments of the Fredd Campus Branch Library October 2003 – September 2004

Objective 1: Library Services

1. Complete upgrade of library system hardware and migration from Dynix to Horizon library system; including installation of new hardware and software, staff training, and revision of day-to-day procedures
2. Upgraded library web page, including update of information on Fredd Campus Branch Library
3. Added component of Horizon catalog so that library users can limit searches to holdings in the Fredd Campus Branch Library
4. Student Appreciation Day (and related activities) included give-aways and packets for students on the Fredd Campus to encourage visit to the library

Objective 2: Professional Development

1. All library staff participated in training in use of new Horizon system; others participated in training specifically for Horizon
2. Director of Library Services participated in HBCU focus group for library directors at Alabama State University in Montgomery, AL
3. Revised Title III travel request form and procedures; revised web page
4. Other professional development funded through Title III
